

Domestic and Global Travel Questions

Do you handle Risk Management issues related to travel for your school? If you don't who does?

Centre College

The Director of our Center for Global Citizenship handles all risk management issues related to our study abroad programs.

Furman

Furman follows the same model as Southwestern with an office of Study Away and International Education. Kailash Khandke (kailash.khandke@furman.edu) directs the program. Student Services is not directly involved.

Millsaps College

The Office of International Education at our College handles the risk management issues.

Southwestern University

All of Southwestern University's international travel is through the Office of Intercultural Learning. Sue Mennicke (mennicks@southwestern.edu) directs this program, as well as working with all of our international students. Student Affairs is not directly involved.

Trinity University

The risk management issues are managed by our Risk Management Officer (technically the Associate VP for Fiscal Affairs).

University of Richmond

All risk management issues are handled by our Office of Safety Services and Risk Management (three professionals including an administrative assistant).
