

Smoking Poll

How many of you have no smoking anywhere on campus? OR

If you allow outside only, do you have a specific distance designated from a building where its allowed?

Centre

Smoking policy: all buildings are smoke free, and no smoking can occur w/in 10' of an entrance.

Our Student Government Association is looking into a policy that would make the campus be entirely smoke free -- indoors and out. Not sure how that will be received, but we'll see...

Furman

Furman does not allow smoking in any of our buildings. We do allow smoking in designated outdoor areas, but do not have a specific distance required.

University of Richmond

No smoking in campus buildings. No designated distance from buildings. Ashtrays strategically placed in some (not all) cases.

Washington & Lee

No smoking in campus buildings. No designated distance from buildings. Ashtrays strategically placed in some (not all) cases.
