

Rethinking the Liberal Arts Experience in the Digital Age Evaluation Form

What were your main reasons for participating in the symposium?

Please indicate the degree to which you either agree or disagree with the following statements.

| | <u>Agree</u> <u>Strongly</u> | <u>Agree</u> <u>Somewhat</u> | <u>Disagree</u> <u>Somewhat</u> | <u>Disagree</u> <u>Strongly</u> |
|---|---------------------------------|---------------------------------|------------------------------------|------------------------------------|
| The length of the symposium was appropriate. | [] | [] | [] | [] |
| The symposium's format worked well. | [] | [] | [] | [] |
| The size of the group was satisfactory for discussion. | [] | [] | [] | [] |
| The facilitator did a good job of stimulating discussion. | [] | [] | [] | [] |

The symposium stimulated me to:

| | | | | |
|--|-----|-----|-----|-----|
| Think more about the evolving information environment. | [] | [] | [] | [] |
| Examine ways to enhance teaching and learning through the use of technology. | [] | [] | [] | [] |

What are your information and technology needs?

What are the impediments to meeting these needs?

Do you think continued discussion of this issue is important? _____

What other approaches might be taken to address this issue?

What could the College do that would be of most assistance to you in the information and technology area?
