

"Faculty Academy at Washington and Lee University"

March 20, 2003

Quick summary:

The ACS grant was used to help subsidize:

- Faculty Academy, which helped faculty to develop information fluency by providing technology education and pedagogical models for use of instructional technology. See info about August and December 2002 sessions:

<http://facultyacademy.wlu.edu/>

- A forum on a information fluency program which begun with an ACS grant, and is now continuing with W&L funding:

<http://itl.wlu.edu/forum/archive/info.htm>

We have also presented on the information fluency program at Educause, and just published an article on it in Educause Quarterly:

<http://www.educause.edu/ir/library/pdf/eqm0319.pdf>

The information fluency Website is:

<http://info.wlu.edu>
